

## **The Plastic Fantastic day trip to Skegness**

**I'm sure you have all seen awful pictures of the pollution of our seas by plastic. Well here's a way in which you can directly help.**

**I would like to organise a day trip from Burton Joyce to Skegness, part of which will be about an hour's litter pick on the beach, helping us to work up an appetite for seaside fish and chips.**

**The date will be Saturday 21<sup>st</sup> April. This day was picked because high tide is at 10.30am and if we set off from BJ at 8.00, we will just get there as the tide is going out. If we can get a full coach of 53, the cost will be less than £10 per head. Return will be at 4.00 pm.**

**Please contact me on [patrickjf.mcdonough@aol.co.uk](mailto:patrickjf.mcdonough@aol.co.uk) or phone/text to 07779970269**
